

# APC Line-R LS 595, 1000, 1500

Part Numbers: LS595-RS, LS1000-RS, LS1500-RS

## APC Automatic Voltage Regulators provides clean, healthy power to your electronics

The Line-R LS 595, 1000 and 1500 from APC by Schneider Electric allows your TV, heating and other electronic equipment to work safely in areas with unstable electricity due to the electric grid. The Automatic Voltage Regulator protects valuable electronics from damage by instantly adjusting unhealthy high and low voltage fluctuations to safe levels. Equipped with 3 Schuko sockets with surge protection and safety shutters, the Line-R LS provides convenient, easy to use protection for a wide range of electronic equipment.

## Product applications

Include televisions, gas boilers, computers, and other electronics

## Product Features

- 1 LED Indicators**  
Quickly understand the unit and voltage status through visual indicators.
- 2 Built in surge protection**  
Protects connected electronics from dangerous surge spikes, which can be generated by lighting or failure of electricity distribution equipment.
- 3 3 Schuko sockets with safety shutters**  
Safety shutters protect you and your family (specifically children) from electric shock. The easy to use interface allows for convenient installation.
- 4 Power switch with circuit breaker**  
Provides for easy recovery from circuit overloads and protects your fuse box and electronics from electrical damage.
- 5 Instant correction of unstable electricity**  
Connected equipment receives healthy voltage levels and continues to function properly during voltage fluctuations.
- 6 2 Yr Warranty**  
APC offers a 2 year warranty with free technical phone and online support, providing customer peace of mind.

## Line-R LS 595, 1000, 1500 Specifications

Model Number	LS595-RS	LS1000-RS	LS1500-RS
Output			
Output Capacity	595 VA / 300 Watts	1000 VA / 500 Watts	1500 VA / 750 Watts
Output Voltage	230V +/-10% / 50 Hz		
Output Connections	3 Schuko sockets with safety shutters and surge protection		
Input			
Input Voltage Range	184 – 284 V		
Input Cable and Plug Type	Schuko plug, cable length 1 meter		
Surge Protection			
AC Power Surge Protection	All outlets, surge protection up to 148 Joules		
Physical			
Unit Dimensions (H x W x D)	180 x 95 x 119 mm		
Unit Weight	1.4 Kg	1.6 Kg	2.0 Kg
Color	Black		
Environment			
Noise level	Less than 40 dB		
Temperature	0 – 40 C		
Humidity	0-90 % RH (non-condensing)
